

Devs Singh

3rd year BTech Student

Hello, myself Devsi Singh. I'm pursuing computer science engineering at Chandigarh Engineering College(CEC), Mohali and I'm passionate about exploring ways, technology can provide practical solutions to everyday problems. I'm particularly interested in web development and competitive programming. I'm looking forward to connecting with like-minded people to grow as an enthusiast developer and coder.

ACHIEVEMENTS

Hacktoberfest 2021

Completed HacktoberFest and redeemed to plant a tree in digital Ocean Forest.

Winner in Inky Reasons

Secured 1st position in Inky reasons, an essay writing event. I presented my thoughts to shape the idea of the importance and role of current education systems and companies in deciding our success in the future.

Winner in Girlsript regional summit(Hack4WestBengal&Uttrakhand)

Bagged 1st position in the regional summit hackathon organized by Girlsript West Bengal and Uttrakhand. We needed to develop a website to provide business and logistics strategies to help local and small businesses to re-establish themselves or manage their loss due to covid.

Winner in Girlsript India Summit

Secured 1st position in the India summit hackathon organized by Girlsript. Our task was to build a solution for rural and urban women in which we presented our idea through Femaissance. Project link :- <https://femaissance.herokuapp.com/>

Rank 6134 in Google Kick Start 2021

Secured 6134th position in Google Kick Start 2021 in Round F.

Microsoft Certified azure AI

Scored 839 marks in Microsoft azure AI Fundamentals

2nd runner up in Web Hackathon

Ranked 3rd in Responsive Vantage Hackathon organized by Indraprastha University, Delhi. We had to build a website for a product(a new invention) in a day that will be having an important role in the future.

21U21 Awardee

Awarded for being an impressive contributor and achieving heights under the age of 21.
